Glastonbury Riverfront Park Donor Catalog

Welcome Message

Construction of the Glastonbury Riverfront Park is approved and the project is scheduled to be completed in 2014. The project focuses on water based recreation, new park facilities, and a boat dock for emergency first responders.

New facilities include a public boat launch, crew launch, canoe/kayak launch, dock for the Fire Department's rescue boat, a boathouse, a picnic pavilion, children's playground, lighted basketball court, outdoor ice skating area, multi-use trail and scenic overlooks. A new access drive and parking, along with landscaping, planting and signs complement the new facilities.

Public support for the project has already been received. While Town funding and State grants provide the bulk of the funding, significant contributions have been made by several local clubs and organizations. That support includes donations from the Friends of Glastonbury Rowing, Glastonbury Basketball Association, Glastonbury Little League, Hartwell Soccer Club, and Glastonbury Lacrosse Club.

Other groups and individuals continue to express interest in supporting the project. The common questions asked are, "How can we get involved? Is there something we can donate?" For that reason, the Glastonbury Town Council has supported the creation of a donor catalog. The Riverfront Park presents a wide range of donor opportunities. The opportunities vary in price and focus. There's something for every budget and a variety of interests. All offer the ability to give a gift in memory, honor, recognition, or appreciation of someone. Donations can also be used to commemorate a significant event or milestone. There's even the option of combining items to donate an entire space, room or area of interest within the park or boathouse. The possibilities are endless!

Again, this gift catalog was developed in response to repeated requests received about donor opportunities. Photographs are representative samples of the product that will be purchased. In some instances, the actual product may differ from the photo. All donations will be acknowledged either with a plaque directly on the item or in a centralized location or space with other donors.

For more information about how to get involved and support Glastonbury's re-connection to the Connecticut River, please contact the Parks and Recreation Department at (860)652-7679.
