Private Swim Lesson Registration Guidelines Fall/Winter/Spring

Private swim lessons (one-on-one) and semi-private swim lessons (one-on-two), catered to meet you or your child's specific instructional needs are now available through the Parks and Recreation Department. The aquatics leadership staff will work with you to customize a personal swim lesson schedule, with an experienced instructor, at any of the Town's four aquatic facilities. Please follow the guidelines listed below.

- 1) **Complete Private Swim Lesson Registration form and give to the office guard or the Parks and Recreation Department. Payment is by Check Only, payable to the 'Town of Glastonbury', unless paying at the Parks and Recreation Department office where cash, checks and credit cards are accepted.** Fees are listed on the registration form.
- 2) Private Lessons are offered to anyone ages five and older. Teens and adults who wish to learn to swim are encouraged to participate.
- 3) One registration form is to be completed for **each** set of 4 x 30 minute private lessons. The form will be for either 1 or 2 participants during the same lesson time period with the same instructor. Each lesson is a half hour in length.
- 4) An instructor who matches the times requested or an aquatics coordinator will call you within 2 weeks. If lessons cannot be provided, the payment will be returned. Lessons will be offered during Recreation Swim times at the GHS Pool. Those ages 18 and older interested in private lessons may utilize the Adult Swim times.
- 5) A completed registration does not guarantee that an instructor is available for the times requested. Only instructors employed by the Town of Glastonbury may teach private lessons.
- 6) If an emergency creates a need to cancel a lesson either by the participant or the instructor, a make-up time will be arranged. Instructors & parents will contact each other prior to the class. Participant no-shows will not be made up.
- 7) On the Private Swim Lesson Registration form, please indicate any pertinent information (i.e. health concerns, etc.) about your child (or yourself) that will help us select the best instructor to fit your needs. Additionally, please indicate your swimming ability.
