

Glastonbury Senior Services & the Glastonbury AARP #2010 present:

Senior Housing Fair

Thursday, April 16, 2015

6:00pm – 8:00pm

**Riverfront Community Center
300 Welles Street, Glastonbury**

This is “one stop shopping” for anyone who is considering downsizing and/or moving but is unsure of the options. AARP along with the Glastonbury Senior Center have joined forces to help simplify a very difficult decision for you or family members. Representatives from various retirement locations in the Hartford area, along with a speaker will be available to explain the different housing options. This housing fair is open to our community; so invite your friends, family and neighbors to join you for an informative evening!
