The Town of Glastonbury will be accepting proposals from qualified individuals or firms to provide Landscape Architecture services related to streetscape improvements on Hebron Avenue between Main Street and House Street. The basic services required include master planning, preparation of conceptual design plans and cost estimating suitable for presentation to Town Policy Makers and Community Groups. Copies of the proposal can be downloaded from the Town’s website at www.glastonbury-ct.gov or can be requested from the Purchasing Agent, 2155 Main Street, Glastonbury, CT 06033.

An optional pre-proposal meeting is scheduled for July 2, 2014 at 10:00 a.m. in the Meeting Room A, Town Hall, 2155 Main St, Glastonbury, CT 06033.

Proposals must be submitted to the Purchasing Agent no later than July 10 at 11:00 AM.

LATE PROPOSALS WILL NOT BE CONSIDERED.

SECTION I – GENERAL INFORMATION

EXECUTIVE SUMMARY

- Hebron Avenue is a Town owned arterial roadway with average daily traffic volumes of approximately 8000. The subject corridor between the intersections with Main Street and House Street primarily consists of commercial retail facilities with some Medical Office and small businesses located in converted residential structures. Existing streetscape amenities are essentially absent and constraints exist due to location and number of utility poles. The Town has two planned construction projects which will affect the area in question. Existing traffic congestion at the Hebron Avenue / New London Turnpike intersection is being addressed via improvements that will add a turning lane on the westbound approach to the intersection. This project is planned for 2014 construction. A second project to mill and pave Hebron Avenue has received Federal Transportation Fund grant approval. This project will receive funding in 2015 or 2016. The Town hopes to incorporate a number of streetscape improvements into this contract as “non-participating” construction items.

Implementation of streetscape improvements will not only enhance the aesthetic appearance of the corridor but will also hopefully encourage visitors to walk this central core area, thereby contributing to a greater sense of Town Center vibrancy. Walkability and aesthetic enhancements must be balanced with the vehicular traffic flow requirements associated with an arterial roadway. Budgetary constraints must also be considered in devising the desired conceptual designs.

In January of 2014, the Glastonbury Town Council adopted a comprehensive rezoning plan for the Town Center area. The New Town Center Zone provides enhanced opportunity for redevelopment projects, new housing and overall reinvestment in the downtown area that includes the subject roadway corridor. Streetscape improvements by the Town are expected to generate complementary upgrades to adjoining private properties.

SPECIAL CONSIDERATIONS

- A Report entitled “Glastonbury Center 2020, Shared Vision Plan” prepared by BFJ Planning, Stantec, and BBP & Associates LLC, March 2011 is available and may be used as a reference for this project.
- A Report entitled “Envisioning Town Center 2027, Glastonbury Traffic and Streetscape Services, prepared by Fuss & O’Neill, March 2008 is available and may be used as a reference for this project.
GENERAL SCOPE

- Review all existing Town files, reports, and plans about the roadway corridor and applicable appurtenances.

- Provide a preliminary report to confirm existing conditions and constraints including identification of Utilities and Rights of Way limitations.

- The Consultant shall produce a minimum of three conceptual level streetscape designs that include but are not limited to specific types of sidewalk treatments, decorative crosswalk type, suggested lighting fixtures, street trees or other types of decorative vegetation, street furniture etc. Cost estimates for implementation of same shall also be produced. Colored three dimensional renderings of the conceptual design plans shall be generated for review by staff and subsequent public presentation. A “catalogue” of other aesthetic treatments shall be produced for consideration as alternatives to those presented on the conceptual design plans.

- The Consultant shall attend up to two publicly advertised workshops to present concepts and receive feedback from Policy Makers, Advocacy groups and the general public.

- At the conclusion of said workshops, the Consultant shall prepare a final report that incorporates revisions to concepts presented based on suggestions offered as deemed prudent.

- The report shall contain a description of any regulatory permits required for any proposed work. This shall include a description of processes to be followed when requesting alteration of Public Utilities.

- The Consultant shall also advise the Town of any other available Grant programs applicable to this type of work.

SECTION II – CONSULTANT’S SERVICES

- The Consultant shall perform professional services as stated and according to instructions received from the Town. The Consultant's services shall include all incidental services.

- All drawings, reports, and other documents prepared by the Consultant according to this Agreement shall be submitted to the Town for its review and approval.

- No such approval shall in any way be construed to relieve the Consultant of responsibility for technical adequacy or operate as a waiver of any of the Town’s rights under this Agreement. The Consultant shall remain liable to the Town according to applicable laws and practices for all damages to the Town caused by the Consultant’s negligent performance of any of the services furnished under this Agreement.
• The Consultant shall conduct regular meetings with the Town, and other appropriate parties, at a location established by the Town to review progress. The Consultant will provide written notes of each meeting to all attending parties before the next meeting.

• The Consultant’s services under agreements reached shall be as described above. The Town does not guarantee future design and construction phase work. However, any executed Consultant agreement shall contain provisions for future phases of work. The scope and fee for future phases will be negotiated at a later date pending full project funding and satisfactory Consultant performance during the first design phase.

SECTION III - SUBMISSION OF PROPOSAL

MINIMUM REQUIREMENTS

• Firm/Individual shall have a Landscape Architect licensed in the State of Connecticut assigned to the project.

• Firm/Individual shall have demonstrated experience with similar streetscape design projects within the past five (5) years.

PRE-PROPOSAL MEETING (OPTIONAL)

An optional pre-proposal meeting is scheduled for **July 2, 2014 at 10:00 a.m.** in the Meeting Room A, Town Hall, 2155 Main St, Glastonbury, CT 06033.

PROPOSAL INSTRUCTIONS

• By submitting a proposal, you represent that you have thoroughly examined and become familiar with the Scope of Services outlined in this RFQ and you are capable of performing the work to achieve the Town’s objectives.

• All firms are required to submit an original and six (6) copies of their proposal to Mary F. Visone, Purchasing Agent, 2155 Main Street, Glastonbury, CT by the date and time listed in the proposal response page. All proposals will be opened publicly and recorded as received. Respondents may be present at the opening; however, there will be no public reading of Proposals. Proposals received later than the time and date specified will not be considered. 11. Proposal Response Form (**ATTACHMENT A**).

12. Respondent is required to review the Town of Glastonbury Code of Ethics adopted July 8, 2003 and effective August 1, 2003. Respondent shall acknowledge that they have reviewed the document in the area provided on the attached Ethics Acknowledgement form included on ATTACHMENT A. The selected respondent will also be required to complete and sign a Consultant Acknowledgement Form prior to award. The Code of Ethics and the Consultant Acknowledgment Form can be accessed at the Town of Glastonbury website at [www.glastonbury-ct.gov](http://www.glastonbury-ct.gov). Upon entering the website click on Bids & RFPs which will bring you to the links for the Code of Ethics and the Consultant Acknowledgement Form. If the respondent does not have
access to the internet, a copy of these documents can be obtained through the Purchasing Department at the address listed within this bid/proposal.

13. Statement of Non-Collusion (ATTACHMENT B).

- All technical questions regarding this RFQ shall be made in writing and directed to Daniel A. Pennington P.E., Town Engineer/Manager of Physical Services, 2155 Main Street Glastonbury, CT 06033 or by email Daniel.pennington@glastonbury-ct.gov. For administrative questions concerning this proposal, please contact Mary F. Visone, Purchasing Agent, at (860) 652-7588 or by email purchasing@glastonbury-ct.gov. All questions, answers, and/or addenda, as applicable, will be posted on the Town’s website at www.glastonbury-ct.gov (Upon entering the website click on Bids & RFPs). It is the respondent’s responsibility to check the website for addenda prior to submission of any proposal.

Note: Responses to requests for more specific contract information than is contained in the RFQ shall be limited to information that is available to all respondents and that is necessary to complete this process. The request must be received at least five (5) business days prior to the advertised response deadline.

- Failure to include any of the above-referenced items in the submitted PROPOSAL may be grounds for disqualifying said proposal.
EVALUATION CRITERIA

- The following factors will be considered by the Town when evaluating proposals:
  - Accuracy, overall quality, thoroughness, and responsiveness to the Town's requirements as summarized herein.
  - Demonstrated creativity of design and understanding of the Scope of Services
  - The qualifications and experience of the firm, the designated account representative, and other key personnel to be assigned to the project.
  - Demonstrated successful performance on other similar Municipal streetscape projects.
  - Overall approach and schedule to meet the Town’s requirements.

SELECTION PROCESS

- This request for qualifications does not commit the Town of Glastonbury to award a contract or to pay any costs incurred in the preparation of a proposal to this request. All proposals submitted in response to this request for qualifications become the property of the Town of Glastonbury. The Town of Glastonbury reserves the right to accept or reject any or all proposals received as a result of this request, to negotiate with the selected respondent, the right to extend the contract for an additional period, or to cancel in part or in its entirety the request for qualifications, and to waive any informality if it is in the best interests of the Town to do so.

- A Selection Committee, appointed by the Town Manager, will evaluate all submittals received for completeness and the respondent’s ability to meet all requirements as outlined in this RFQ. The Committee will then short list the specific firms whose statements best meet all criteria required and may conduct interviews with these firms. Upon completion of all interviews, the Selection Committee will forward to the Town Manager, a list of firms recommended for further consideration. Interviews are at the option of the Selection Committee and may or may not be conducted.

- Top rated firms will be asked to submit a specific Scope of Services and associated fee proposal. The Town Manager shall review said proposals and negotiate an agreement based on those discussions.

- Additional technical information may be requested from any respondent for clarification purposes, but in no way changes the original qualification statement submitted.
TIMELINE

The Town intends to adhere to the schedule listed below as closely as possible, but reserves the right to modify the schedule in the best interest of the Town as required.
