Re: Town Manager's Report

Dear Council Members:

The following will keep you up-to-date on various topics.

a. **Bulky Waste.**

Per previous discussions, Amnesty Days will be held at the Bulky Waste Facility on consecutive Saturdays this October. Permits are required but there will be no charge for typical yard clean up materials. This does not include demolition material. Amnesty Days will also be held in spring 2018.

b. **Blackledge Falls.**

State DEEP is conducting a program to monitor the movement, population, range, etc. of Bobcats across the state. DEEP would like to set 1 or 2 traps (i.e. Have a Heart) at Blackledge Falls so to place GPS collars on Bobcats. Data will be collected over several months and the collars will automatically disengage on August 1st and be collected by State DEEP. The Town Code prohibits the hunting, molesting, etc. of wildlife by hunting, harming, killing, trapping, etc. It appears this Code prohibition does not anticipate the activities proposed by DEEP. I will appreciate Council comment in this regard.

Sincerely,

Richard J. Johnson
Town Manager
