Re: Supplemental Town Manager's

Report
Dear Council Members:

The following supplements my written report of October 20, 2017.

1. **Director of Finance.**

I am pleased to advise that Julie Twilley is appointed Director of Finance & Administrative Services effective November 6, 2017. Julie brings 14+ years of accounting and finance experience to Glastonbury, having most recently worked in executive management positions with The Hartford Financial Services Group and The Travelers Companies. She holds a Bachelors and Master's Degree from Wake Forest University in Analytical Finance and Accountancy, and is a Certified Public Accountant. She is looking forward to assuming her new position in early November.

2. **State Budget – Car Tax.**

Car tax revenues in the current year at the 32 mill rate cap total \$9.5± million. This equates to an additional 1.8 mills on real estate and personal property assessments to generate the same revenue. The state budget now under discussion suggests eliminating the car tax effective FY 2018-2019. I understand this proposal is likely subject to change but I was asked a question in this regard.

3. **Roundabout.**

I was asked a question on training materials for navigating a roundabout. This information is available through the "Spotlight" section of the Town web site. Educational materials include a video. Additionally, there is a Q&A that helps respond to questions we have received.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard J. Johnson".

Richard J. Johnson
Town Manager
