- 8) Robin Road (Carriage Dr to Olde Stage Rd)

In addition, Highway Division staff will intend on application of a thin “shim” layer of asphalt on the following roads as a means of prolonging the life of the existing pavement structure. This shim layer will not constitute a curb to curb application over the entire road length, but will be limited to areas of higher pavement distress.

- Woodbridge Road
- Stevens Lane
- Talcott Road
- Morgan Drive
- Whapley Road
- Trinity Avenue
- Cambridge Drive
- Wesleyen Road
- Great Pond neighborhood (all roads)
- Lancaster Road
- Bellwoods Drive
- Nye Road
