SECTION I – GENERAL INFORMATION

EXECUTIVE SUMMARY

Currently, the Water Pollution Control Authority works with various Master Sewer Plan documents that were established through the years and are generally defined by the limits of individual watersheds. These documents vary in age from 16 to 35 years old. The selected consultant shall review the various town-wide sanitary sewer master plans and provide an updated, comprehensive Sanitary Sewer Master Plan to the Town. The consultant shall draft a town-Wide Master Sewer Plan that takes into consideration service areas of concern along with established planning policies and procedures of the Town of Glastonbury and the State of Connecticut.

SPECIAL CONSIDERATIONS

The documents listed below currently form the basis of the Town’s master sewer plan, and will be made available to interested consultants at the Town Hall Engineering Division Office, 2155 Main Street during normal business hours of 8:00 AM to 4:30 PM.

- Facilities Plan and Environmental Assessment Report for the Proposed Sewage Collection Facilities for the Hubbard Brook Drainage Area, Project No. C090285-01, June 1, 1977, Metcalf & Eddy, Inc./Engineers

GENERAL SCOPE

- Investigate grant opportunities that would provide funding for updating the Town’s Master Sewer Plan and secure available grant funding.

- Review all existing State and Town files, reports, and plans related to the town’s sewerage facilities, master sewer planning documents, and other State and Town planning policies.
• Provide a comprehensive update to the master sewer plan for the town including the following:

1. Provide planning and analysis services related to future expansion of the sewer system that reflects recognized service area needs and current state and town planning policies.
2. Assess sewer trouble spots identified in previous reports and provide recommendations for prioritization of improvements across the planning period.
3. Provide general recommendations for other potential maintenance and repair activities that should be pursued by the Town within the planning period based on review and understanding of the existing sewer system.

SECTION II – CONSULTANT’S SERVICES

• The Consultant shall perform professional services as stated and according to instructions received from the Town. The Consultant's services shall include all incidental services.

• All drawings, reports, and other documents prepared by the Consultant according to this Agreement shall be submitted to the Town for its review and approval.

• No such approval shall in any way be construed to relieve the Consultant of responsibility for technical adequacy or operate as a waiver of any of the Town’s rights under this Agreement. The Consultant shall remain liable to the Town according to applicable laws and practices for all damages to the Town caused by the Consultant’s negligent performance of any of the services furnished under this Agreement.

• The Consultant shall conduct regular meetings with the Town, and other appropriate parties, at a location established by the Town to review progress. The Consultant will provide written notes of each meeting to all attending parties before the next meeting.

• The Consultant’s services under agreements reached shall be as described above. The Town does not guarantee future design and construction phase work. However, any executed Consultant agreement shall contain provisions for future phases of work. The scope and fee for future phases will be negotiated at a later date pending full project funding and satisfactory Consultant performance during the study phase.

SECTION III - SUBMISSION OF PROPOSAL

MINIMUM REQUIREMENTS

• Firm/Individual shall have a Professional Engineer licensed in the State of Connecticut assigned to the project.

• Firm/Individual shall have demonstrated experience with similar master sewer plan studies within the past five (5) years.
PROPOSAL INSTRUCTIONS

- By submitting a proposal, you represent that you have thoroughly examined and become familiar with the Scope of Services outlined in this RFQ and you are capable of performing the work to achieve the Town’s objectives.

- All firms are required to submit an original and seven (7) copies of their proposal to Mary F. Visone, Purchasing Agent, 2155 Main Street, Glastonbury, CT by the date and time listed in the proposal response page. All proposals will be opened publicly and recorded as received. Respondents may be present at the opening; however, there will be no public reading of Proposals. Proposals received later than the time and date specified will not be considered. The proposal must be submitted in a sealed envelope or package and the outside shall be clearly marked as follows:

- All respondents are required to submit the information detailed below. **Responses shall be organized and presented in the order listed below to assist the Town in reviewing and rating proposals.** Responses should be presented in appropriate detail to thoroughly respond to the requirements and expected services described herein.

  1. Table of Contents to include clear identification of the material provided by section and number.

  2. A letter of transmittal indicating the firm's interest in providing the service and any other information that would assist the Town in making a selection. This letter must be signed by a person legally authorized to bind the firm to a contract.

  3. Name and telephone number of person(s) to be contacted for further information or clarification.

  4. A background statement including a description of the firm/individual submitting the proposal.

  5. A list of staff members who would be involved with the project, including their assigned roles and a description of their background and experience.

  6. A description of relevant engineering experience including specific reference to similar services as required by the Town under this proposal.

  7. List of similar projects completed over the past five (5) years with the contact name, address and telephone number of the owners’ representative in each project.
8. Overall approach to the engineering needs of the Town for updating the master sewer plan.

9. Proposed schedule for completion of engineering services as required to meet the Town’s intended schedule.

10. A concluding statement as to why the respondent is best qualified to meet the needs of the Town.

12. Respondent is required to review the Town of Glastonbury Code of Ethics adopted July 8, 2003 and effective August 1, 2003. Respondent shall acknowledge that they have reviewed the document in the area provided on the attached Ethics Acknowledgement form included on ATTACHMENT A. The selected respondent will also be required to complete and sign a Consultant Acknowledgement Form prior to award. The Code of Ethics and the Consultant Acknowledgment Form can be accessed at the Town of Glastonbury website at www.glastonbury-ct.gov. Upon entering the website click on General Information, then Bids and Quotes which will bring you to the links for the Code of Ethics and the Consultant Acknowledgement Form. If the respondent does not have access to the internet, a copy of these documents can be obtained through the Purchasing Department at the address listed within this proposal.

13. Statement of Non-Collusion (ATTACHMENT B).

14. The Town of Glastonbury is dedicated to waste reduction and the practice of using and promoting the use of recycled and environmentally preferable products. Respondents are encouraged to submit RFP responses that are printed double-sided (except for the signed proposal page) on recycled paper, and to use paper dividers to organize the RFP for review. All proposal pages should be secured with a binder clip, staple or elastic band, and shall not be submitted in plastic binders or covers, nor shall the proposal contain any plastic inserts or pages. We appreciate your efforts towards a greener environment.

- Any technical questions regarding this RFQ shall be made in writing and directed to Mr. Daniel A. Pennington, P.E., Town Engineer / Manager of Physical Services, 2155 Main Street Glastonbury, CT 06033. For administrative questions concerning this proposal, please contact Mary F. Visone, Purchasing Agent, at (860) 652-7588. All questions, answers, and/or addenda, as applicable, will be posted on the Town’s website at www.glastonbury-ct.gov (Upon entering the website click on Bids & RFPs). It is the respondent’s responsibility to check the website for addenda prior to submission of any proposal.

- Failure to include any of the above-referenced items in the submitted PROPOSAL may be grounds for disqualifying said proposal.
EVALUATION CRITERIA

- The following factors will be considered by the Town when evaluating proposals:
  - Accuracy, overall quality, thoroughness, and responsiveness to the Town’s requirements as summarized herein.
  - Demonstrated understanding of the Scope of Services.
  - The qualifications and experience of the firm, the designated account representative, and other key personnel to be assigned to the project.
  - Demonstrated successful performance on other projects.
  - Overall approach and schedule to meet the Town’s requirements.
  - Work Schedule proposed to complete the project assignment.

- Following review and evaluation of proposals, the Town reserves the right to request certain additional information. Based on review and rating of proposals, a short list of respondents will be invited to interview with the Town Selection Committee.

- Based on the results of the interview process, the Town Manager will review the Scope of Services, fee structure, and other factors with the top-rated firm(s) and negotiate a specific agreement based on these discussions.

SELECTION PROCESS

- This request for qualifications does not commit the Town of Glastonbury to award a contract or to pay any costs incurred in the preparation of a proposal to this request. All proposals submitted in response to this request for qualifications become the property of the Town of Glastonbury. The Town of Glastonbury reserves the right to accept or reject any or all proposals received as a result of this request, to negotiate with the selected respondents, the right to extend the contract for an additional period, or to cancel in part or in its entirety the request for qualifications, if it is in the best interests of the Town to do so.

- An Evaluation Committee, appointed by the Town Manager, will evaluate all proposals received for completeness and the respondent’s ability to meet all requirements as outlined in this RFQ. The committee will then short list the specific firms whose proposals best meet all criteria required.

- Additional technical and/or cost information may be requested from any respondent by the evaluation committee prior, during or after the interview for clarification purposes, but in no way changes the original proposal submitted. Interviews are at the option of the evaluation committee and may or may not be conducted.

- The selected respondent will be issued a purchase order to perform the work.
TIMELINE

The Town intends to adhere to the schedule listed below as closely as possible, but reserves the right to modify the schedule in the best interest of the Town as required.
